

# PolyMat Plus™ Spun Bonded Weed Matting

This product is a spun bonded polypropylene weed matting for landscapers who need to save on costs. Having both advantages of weed suppression and water penetration, this weed mat is lightweight and easy to use and will not fray on the edges. It has a UV rating of 2-3 years. Colour is black.

### Features/Benefits

- Economy 80gsm grade weed matting
- Spun bonded UV-stable polypropylene
- Suppresses weeds and allows water penetration

M100 Staple Gun

Up to 7 times faster than pinning by hand

Code	Size	Pack Qty
23395	1m x 50m	1 Roll
23396	2m x 50m	1 Roll

**Important:** Before installing mulch matting or weed matting, thorough eradication of weeds from the area to be covered is strongly recommended. We advise spraying the site with an Organic Herbicide and allowing a few days before installing the matting.
