

TriGuard™ Quickfold Tree Shelter

KBC TriGuard™ 'Quickfold' tree shelters are commonly known as the tree growers' 'insurance policy'. They provide great protection from browsing while providing an ideal microclimate for growth.

PROTECTS AGAINST

Features/Benefits:

- Translucent twin-wall polypropylene design provides sufficient light and an ideal microclimate for small seedlings.
- Performs well in high-wind conditions.
- 'Quickfold' saves installation time and labour cost.
- Lifespan of 2-3 years (depending on environmental conditions).
- Quick assembly
- Recyclable
- Reusable

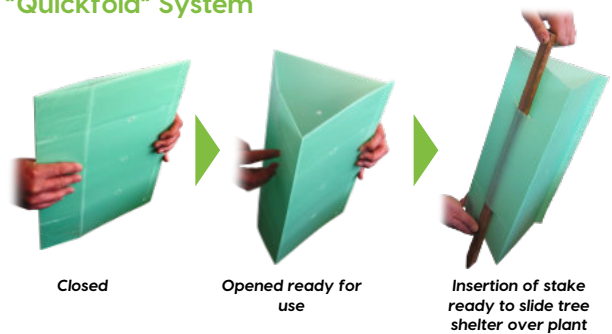

Available as a combo with
1 x sleeve, 1 x stake, 1 x mat
