

Eslon Stakes Plastic Coated Steel

Eslon Stakes are New Zealand's most popular domestic garden stake.

Features/Benefits

- Eslon stakes are far superior to imitation brands
- Watertight, weatherproof sealed caps at either end ensure long life
- Tough hollow steel core that will not crack, rot or easily buckle
- Unique, moulded UV resistant plastic coating allows attachment of plant ties at any point
- Sealed end spike allows easy insertion
- Nine popular sizes - 0.9m to 2.4m buckle
