

Filter Sock

The filter sock is a durable, easy-to-install solution for stormwater protection, perimeter control, and drainage filtration. Made from tough knitted polyester, it filters out fine particles to prevent clogging and extend drain life.

The Filter Sock is a durable, easy-to-install solution for stormwater protection, perimeter control, and drainage filtration. Made from tough knitted polyester, it filters out fine particles to prevent clogging and helps extend the life of drainage systems. Available preloaded for quick installation, the filter sock delivers consistent performance, meets RTA 3553 standards, and is available in various sizes to suit different site requirements.

Applications

- Stormwater inlet and outlet protection.
- Perimeter control on construction sites.
- Drainage filtration (around scoria or ag-pipe).
- Swale and channel filtration.

Features/Benefits

- Helps block fine particles and debris from entering and clogging drainage pipes, supporting more reliable drainage over time.
- The Filter Sock filters out soil fines while allowing water through, helping to maintain pipe function and reduce the risk of premature failure.
- When preloaded, the applicator tube allows the sock to slide easily over the pipe, eliminating the need for manual wrapping and saving time on site.
- Made from stable knitted polyester and tested for abrasion resistance, the sock resists laddering and holds up under tough site conditions.
- Complies with RTA 3553, making it a reliable choice for infrastructure and road drainage applications.
- Versatility in sizing: Available in multiple diameters and roll lengths to suit various pipe sizes and project needs.

Code	Size	Pack
26O12	Filter Sock 65mm x 15m Preloaded	1
26O13	Filter Sock 65mm x 30m	1
26O14	Filter Sock 65mm x 30m Preloaded	1
26O15	Filter Sock 110mm x 15m	1
26O16	Filter Sock 110mm x 15m Preloaded	1
26O17	Filter Sock 110mm x 30m	1
26O18	Filter Sock 110mm x 30m Preloaded	1
26O19	Filter Sock 110mm x 50m Preloaded	1
26O20	Filter Sock 110mm x 100m	1
26O22	Filter Sock 160mm x 45m	1
